Inspector General's Recommendation, Page 111

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

The DD/P direct a review of budget and fiscal arrangements and understanding between Division D and the respective area divisions on existing projects supervised by the former and budgeted for by the latter. Such review should be made with a view to formulation and publication of a policy statement fully delineating the position and responsibilities of the parties concerned.

DD/P Comment

Concur -- A revised [REDACTED] now being made ready for publication, provides that the area divisions shall provide operational and administrative support for projects and activities directed toward the collection of special intelligence, while policy and technical guidance will continue to be exercised by Division D.

(a) The DD/P direct the Chief, FI, and all other senior Clandestine Service personnel to place greatly increased efforts on collection against [REDACTED]

25X1C
25X1A

(b) The Chief, FI, take priority action to fully staff the [REDACTED]

25X1A

(c) The DD/S expedite the construction of a facility for [REDACTED]

25X1A

(d) The Chief, Division D, limit contact between Special [REDACTED] personnel and other components of the DD/P to the minimum consistent with the performance of its special mission.

25X1A

(e) The Director of Security, in collaboration with the DD/P, study and take action to correct the growing security hazard implicit in constant travel by sensitive Agency personnel [REDACTED]

25X1C

(f) The DD/P move [REDACTED] to TSS if it is continued beyond January 1959.

25X1A

(g) The DD/P inform the FBI of the possible security hazards raised by [REDACTED] and determine the appropriate security measures to be taken.

25X1A

(h) [REDACTED] The AD/CI follow-up the recommendation of the Baker Panel Report that a small group concerned solely with intelligence about cryptology and communications security be established in the intelligence community and ensure that the objectives of the Panel are fulfilled.

DD/P Comment

(a) Concur -- [REDACTED]

25X1A

dated 15 February 1956, is being revised and updated to comply with the recommendation of the Inspector General.

(b) Concur -- Since the preparation of the report of the Inspector General, two qualified case officers have been assigned to the [REDACTED] Division D. Three additional case officers are urgently needed and appropriate Support Groups are screening potential candidates.

25X1A

(c) Concur -- Specifications and drawings were released for bids on 29 May 1959.

(d) Concur -- Provision of the facility at [REDACTED] will permit the accomplishment of this recommendation.

25X1A

(e) Concur. -- A memorandum on this subject has been sent to the Director of Security outlining the growing security hazard resulting from repeated travel by sensitive Agency personnel with [REDACTED]

25X1C

(f) Concur -- with modifications. A TSS officer has been reinitiated into R & D aspects of [REDACTED] Division D, TSS, and OC will continue a joint interest until such time as it is clearly demonstrated that the major interest and competence lie in TSS. Because of the extreme sensitivity of [REDACTED] it is believed that the security standards established by Division D should continue to prevail.

(g) Non-concur -- It is believed unwise at this time to surface [REDACTED] to the FBI in view of the present exploratory nature of the program and since this might lead to an overemphasis on defensive techniques as opposed to the present positive approach.

(h) Concur -- A memorandum has been forwarded to the AD/CI suggesting that the recommendation of the Baker Panel Report, outlined above, be implemented in coordination with Division D.

Recommended DCI Action: Approve (a), (b), (c)

Inspector General's Statement

Recommended that:

25X1A

(a) The DD/P and the Chief, CI Staff, enforce the provision of [REDACTED] name check on subjects for whom operational clearances of any sort are required.

25X1A

(b) The Chief, Division D, study the efforts of the [REDACTED] name check file on a current basis by the reading of all published COMINT material and ensure that this time-consuming procedure is justified by some positive CE or Security value.

25X1A

25X1A

(c) The Chief, CI Staff, ensure that requests for [REDACTED]

25X1A

[REDACTED] are forwarded to the [REDACTED] Division D, as soon as the need for a POA is identified in order to reduce the number of expedite requests which now exceeds 50 per cent of all submitted in this category.

25X1A

DD/P Comment

(a) Concur -- The Chief, CI Staff, is being informed of the recommendation of the Inspector General.

(b) Concur -- with modification. The recommended study has been made. The Biographic Section reviews a major portion of published COMINT for the purpose of providing timely information on subjects of [REDACTED] interest over the past seven years. This procedure appears to represent the most economical and timely way of ensuring that continuity of possible derogatory information is not lost.

to comply with the recommendation of the Inspector General.**

Attachment 32Inspector General's Recommendation, Page 140

Recommended DCI Action: Approve (a), (b)

Inspector General's StatementRecommended that:

(a) The DD/P direct the CI Staff and Division D to collaborate on a program to greatly increase the use of COMINT in the Agency CE effort, and that as part of this collaboration, joint recommendations be prepared for submission to USIB for abolishing or redirecting the efforts of the Counterespionage Center established in Division D by USCIB action in 1951.

(b) The Chief, Division D, in collaboration with the CI Staff, determine the feasibility of using soon to be released IBM machines in [REDACTED] to machine index CE files now being compiled by hand in [REDACTED] Division D.

DD/P Comment

(a) Concur -- USIB decision 19 May 1959. The Counterespionage Center established in Division D by USCIB action in 1951 was abolished. The Chairman noted that CIA, nevertheless, would continue to process CE materials and that the resultant intelligence information would be made available to interested Board Agencies. The Chairman also indicated his willingness to review the question of coordination among the Agencies in this field, if any member desired to do so.

(b) Concur -- Plans are now underway to ensure greater collaboration between the CI Staff and Division D to increase greatly the use of COMINT in the over-all Agency's CE effort.

Attachment 33

Recommended DCI Action: Approve (1), (2)

Inspector General's Statement

Recommended that:

(1) The Chief, IB, appoint a Chief, Analysis Section, responsible for activities on the second floor of the SI secure area and capable of providing effective daily guidance and assistance to individual Section analysts.

(2) Chief, IB, and his principal subordinates systematically disseminate more information of general interest to Branch analysts, including reports from the Division's staff meetings.

DD/P Comment

(1) Concur -- This recommendation has been implemented and has already proved to be an excellent organizational development.

(2) Concur -- The recommendation of the Inspector General has already been implemented.

Recommended DCI Action:

Inspector General's Statement

Recommended that:

25X1A Chief, Division D, coordinate the placement priorities for [REDACTED] using intelligence and operational guidance provided from other elements of FI Staff.

DD/P Comment

Concur -- A new portion of CIA Regulation 120 has been agreed upon among Division D, AD/CI, and the Office of Communications which emphasizes the position of Chief, Division D in coordinating the priorities mentioned above.

Inspector General's Statement

Recommended that:

25X1A

Chief, Division D, direct that the names of all personalities contained in [REDACTED] files be recorded in the central index maintained by RI with appropriately secure reference to the custodian of the files.

DD/P Comment

Concur -- The recommendation of the Inspector General has been implemented to the extent that the problem is now being considered by a committee of senior officers of RI Division, Division D, and EE and SR Divisions, which are the only divisions affected by the recommendation.

Attachment 36

Inspector General's Recommendation, Pages 146, 147

Recommended DCI Action: Approve (a), (b)

Inspector General's Statement

Recommended that:

(a) Chief, Division D, explore the feasibility of the application of machine techniques to other COMINT files within his jurisdiction, especially CE, to determine the need for retention of the present capability in the Processing Section, TPB. If such application is not found feasible,

(b) Chief, FI Staff, arrange for the transfer of the Processing Section to Chief, Operational Services, DD/P, for disposition.

DD/P Comment

(a) Concur -- As noted in the comment on (b) recommendation 32 above, Division D is now exploring the feasibility of the application of IBM techniques to other COMINT files to determine the need for retention of the present capability. If such application is not found feasible,

(b) Concur.

Attachment 37

Inspector General's Recommendation, Page 150

Recommended DCI Action: Approve (a), (b)

Inspector General's Statement

Recommended that:

(a) Chief, FI, approve the establishment of the foreign language capability offered by Intelligence Section, Division D, with functions clearly defined to avoid conflict or duplication of those assigned to FDD/OO, and,

(b) DD/P also approve and authorize the Chief, FI, to proceed with the development of the Intelligence Section without delay.

DD/P Comment

(a) Concur -- This recommendation has already been implemented and at the present time a joint DDP/DDI staff study is being prepared proposing the establishment of a CIA voice-processing center to transcribe, translate, process, and evaluate

(b) Concur -- The Intelligence Section is presently staffed with eight qualified linguists; two additional linguists are now in the process of transfer to Division D.

Inspector General's Statement

Recommended that:

25X1C (1) The DD/P direct the Chief, FI, to place greatly increased emphasis on the clandestine collection of ELINT.

(2) The Chief, FI, direct the establishment of an ELINT unit in Division D responsible for initiating and supervising all aspects of an expanded Clandestine Service ELINT collection effort, including the coordination of policy.

(3) The Chief, Division D, establish two sections in the Procurement Branch, one responsible for all aspects of ELINT as recommended in (2) above and one responsible for all aspects of COMINT, including the coordinating of the DD/P position on USIB COMINT Committee matters now assigned to Plans and Policy Staff.

(4) The Chief, Division D, free Plans and Policy Staff from all routine, recurring responsibilities as recommended in (2) and (3) above, and charge it with full-time responsibility for searching out and dealing with new and better ways of using COMINT and ELINT in support of DD/P operations.

(5) The DD/P request the AD/CI to appoint a senior Division D COMINT procurement officer as the alternate Agency member of the USIB COMINT Committee.

TOP SECRET EIDER

DD/P Comment

(1) Concur -- Through CIA's ELINT Advisory Committee Chief, FI, is participating in developing a coordinated CIA position.

(2) and (3) -- The Procurement Branch of Division D is being expanded to handle ELINT collection as well as COMINT collection matters. The recommended creation of separate ELINT and COMINT sections in the Procurement Branch would be excessively costly in the use of available personnel.
